C/G **E/G**
You never promised me days without rain

But strength seems to come in times of pain

Youve always stood by my side, You never let me down
Am7 **F**
Even when my world was falling down
C/G **F** **C/G**

You have been there, Youve been there for me

I want you, despite everything Ive done
C **F**
I need you, when my battles cant be won
Am7 **F**
I love you, because of everything youve done
C **F** **C/G** **F**
You carry me, You carry me, Youve been there for me

C/G **E/G**
You never wanted me to take the blame
C/G **E/G**
So, Love, came to earth and took my shame
