G# F# C#
We out of all creation are the choice possession
B F#
Of God, who needs none of us
G# F# C#
Without Him, we are merely drops in the bucket
B F#
And dust on the scales

F# C#/F
Your sacrifice, it paid the price in full
F# C#/F
Our hearts were lost, but now they are secure
F# A#m C# F# A#m C#/F
Your sacrifice, it paid the price in full
F# A#m C# F# A#m C#/F
Our hearts were lost, but now they are secure

G# F# C#
We out of all creation are the choice possession
B F#
Of God, who needs none of us
G# F# C#
But in His goodness he sent us, the one who could save us
B F#
From the depths of despair

C#
When you died our sins, sins died
F# A#m
You rose to new life, now our souls
F#
Are satisfied, satisfied in You
